ATTENTION
SNAP Recipients

The Families First Coronavirus Response Act (FFCRA) passed by the US Congress temporarily suspends work requirements for Able-Bodied Adults Without Dependents (ABAWDs) during this pandemic.

Starting April 1, 2020, the SNAP work requirements for ABAWDs will be suspended in EVERY COUNTY IN ILLINOIS (including Cook and DuPage).

No one will be required to work 20 hours a week (80 hours a month) in order to keep receiving SNAP during this time.
