

Retrofit Assistance Program

HOPE Fair Housing Center is currently providing financial assistance to people with accessibility issues in need of retrofits within their homes. Grants of up to \$15,000 per household will be available until these designated funds are depleted. These funds can be used to address issues that affect the health or safety of families.

Some of the projects eligible to receive funding include adding grab bars, chair lifts, handicap accessible showers, lowering cabinets, lowering countertops, widening doorways, and building ramps. (Please call us with other items)

Households must meet income and other eligibility guidelines. The chart below shows eligible income levels.

	People in household	1	2	3	4	5	6
Eligible for assistance	Income limit	\$49,950	\$57,050	\$64,200	\$71,300	\$77,050	\$82,750

HOPE FAIR HOUSING CENTER RETROFIT ASSISTANCE
APPLICATION FORM

Date _____

Name _____

Address _____

City _____ County _____ Zip Code _____

Phone (Home) _____ (Cell) _____

Family Size _____ Annual household income _____

List specific modification needed and approximate costs (if known)

Please send pictures of the area for the proposed project. Once your application has been approved, HOPE will work with you to arrange project details and release funding.

Please send all funding requests to:
